

THE FACILITY

FOR DOGS:

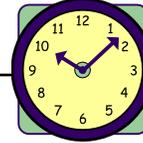

We have 9 indoor dog runs inside a small building next to Dr. Gaffney's house. The runs are 4' wide by 8' long. The building is well insulated and heated by propane infrared reflectant heat. There are 3 large windows and a sliding glass door so that the animals have plenty of sunshine and a "room with a view." That view, by the way, is of the Angel Fire Ski slopes and it's gorgeous!

FOR CATS:

We have two 4-unit kitty condos—one of the condo units is located at the kennel facility and one is located at the Small Animal Hospital office. Each "condo" has a resting bench. When space is available we will open a floor and a side door and allow one cat to occupy 3 condos. The back of the cages are clear, and the condo unit at the kennel is up against a window so the cats can see outside.

Kennel Hours

Drop-off and pick-up times are between 7:30 - 10:00 A.M. and 4:00 - 7:00 P.M.

(the gate will be locked at all other times)
Someone should come out to meet you and your pet when you arrive at the kennel. On the chance that someone does not come out to meet you, just honk your horn. Thank you!

Note—we strictly adhere to the above drop-off/pick-up times; services outside of these hours will be refused and/or a penalty fee will be charged.

PLAY TIMES

Your dog will be walked for 10 to 15 minutes twice a day with regular boarding. If you like, you can request extra one-on-one time with your pet as a "play time". Play times are 15 minutes of playing with your pet (dogs or cats). You tell us what to do: throw a ball in a fenced enclosure, hike around the 14 acres (on a leash) or just pet or brush your cat. Playtimes are \$4.00 a piece and you can request up to two per day or you can request as little as one or two times during your pet's stay.

Fees

Boarding fees are \$18.00 per dog and \$15.00 per cat. Rates are charged by the night so whether you bring your dog at 10 am or at 5 pm you will be charged for that night. Additional pet discount price: \$15 for additional dogs, and \$12 for additional cats.

We require a non-refundable deposit of 1-night's stay if you reserve within 10 or more days before check-in date, or if reserve within less than 10 days of check-in date, the entire stay is prepaid and nonrefundable. We accept checks, cash, Visa, Discover, and MasterCard.

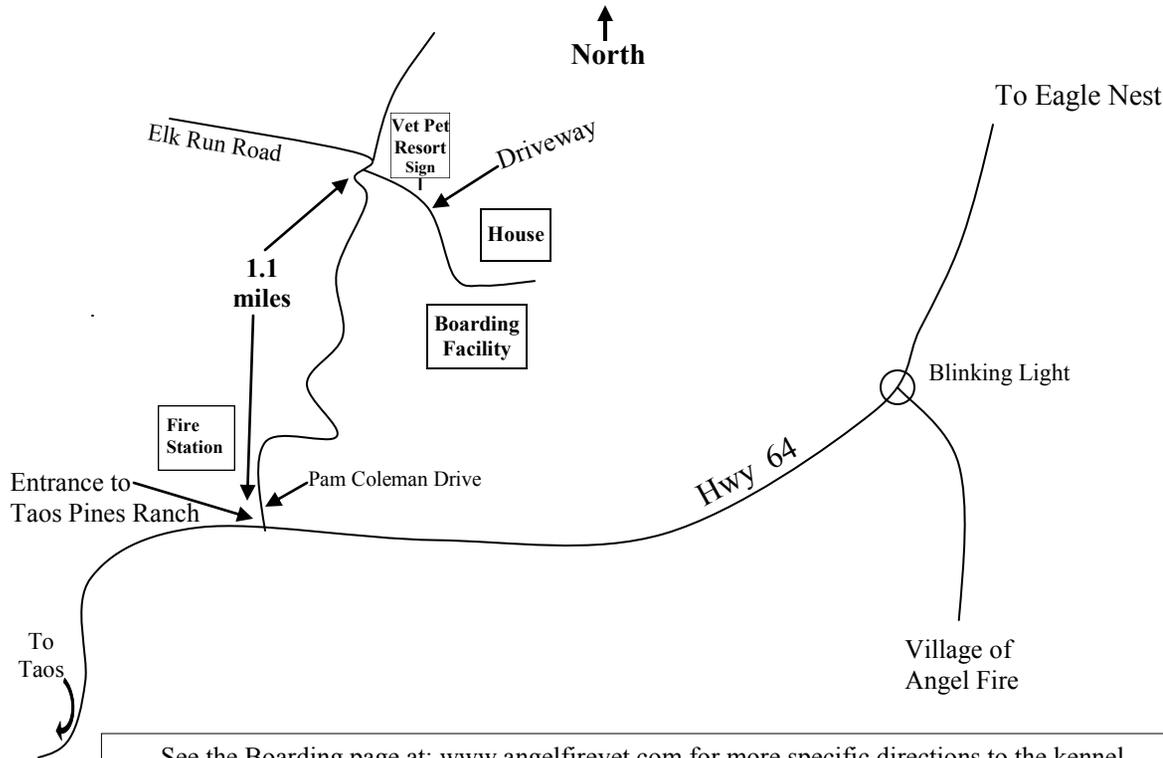

VACCINE REQUIREMENTS:

All pets are required to be current on vaccines (Dogs: Rabies, DHPP, Bordetella; Cats: Rabies, FVRCP, Leukemia). If your pet is due for any vaccines you may request Dr. Gaffney to administer them during their stay. If vaccines were given somewhere other than our clinic, you may fax a copy of the records to our fax number: 575-377-2641 or email them to: angelfirevet@gmail.com

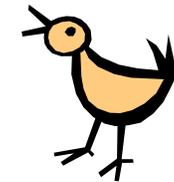

PET FOOD, MEDICINE, BEDS, TOYS:

During your pet's stay we feed them Purina brand foods but you are welcome to bring your pet's own food. Be sure to bring any medicine your pets may currently be taking. Items such as toys and pet beds are also welcome—but **keep in mind in a kennel setting pet's sometimes tend to tear up their beds/toys!**

Give yourself 15-20 minutes to drive to the kennel. Taos Pines road may be muddy in winter and spring. There is a sign at the entrance to the Gaffney's drive-way that says, "Vet Pet Resort".

CANCELLATION POLICY:

If you need to cancel your pet's reservation, please contact our office within 24 hours of your scheduled reservation date/time so we will have a chance to book another pet from our waiting list. (deposits are non-refundable for any reason)

NEED TO EXTEND YOUR PET'S STAY?

Please do not assume your pet can extend its stay without talking with us first. The kennel is very often completely booked. An extra fee may be charged if your pet is still at the kennel and we are not contacted within 24 hours after a scheduled pick-up time.
